

Homework is sent home at the beginning of every week. Please pace yourself and **ONLY** complete the assignments for each night. It is ***NOT*** to be all done at once. Here is an example of what should be done for the reading series. DAY 1- monday night, Day 2- Tuesday night, DAY 3- Wednesday night, DAY4 - Thursday night, and Friday is test day. The tic tac toe sheet is only done once a week. Please feel free to use it more than once for extra practice. However, Math worksheets go home on a daily basis.

I have sent home letters about math and reading lessons we are currently on. These letters also contain ideas to reinforce daily lessons at home.
